We are excited to bring everyone together for a special night celebrating **Haymarket Center's 50th Anniversary**. Our Haymarket Gala is an opportunity to reflect on our history and share our vision for the future. The event shines a light on the success of our innovative services, the growth we have achieved and the thousands of lives we have touched since our founder, Monsignor Ignatius McDermott, began his mission in 1975, walking the streets of Chicago to save one life at a time.

“

For the first time in a while, I have peace of mind. I learned how to make peace with myself and navigate things in a healthy way. I have my motherhood back, I have my friends back who I lost touch with, and the seed of all that was planted at Haymarket Center.”

— ASHLEY

“

I wish that people had more compassion for those who have problems with substances. Nobody chooses this life. I made a mistake once that took me years to fix, but I'm still lucky that Haymarket was able to help me fix it.”

— LINDSAY
